TREES AND SHRUBS

Special Quotations on Large Quantities

Aesculus californica, "California Buckeye," in gal. cans, 9 to 15 inches, each 50c.

Arbutus menziesii, "Madrone," in gal. cans, 3 to 5 inches, each 35c.

Atriplex canescens, "Desert Salt Bush." Silvery grey foliage. Valuable for hedges. In 3 inch pots, each 15c.

Calycanthus occidentalis, "California Sweet-scented Shrub," in 3 inch pots, 5 to 7 inches, each, 20c.

Carpenteria californica. A rare shrub, with handsome, glossy green foliage, and bearing large, fragrant, pure white flowers with yellow stamens. In qt. cans, 8 to 10 inches, each, 60c.

Ceanothus, "California Wild Lilac." The Ceanothus is among the most desirable of our native shrubs and particularly useful for planting in dry places. The following are some of the most beautiful species:

Ceanothus arboreus. Large shrub or small tree. The finest of all the Ceanothi. Flowers in immense trusses, deep blue. In 4 inch pots, 10 to 15 inches, each, 50c.

Ceanothus divaricatus. Glauous foliage, large trusses of pale blue flowers. In qt. cans, 8 to 12 in., each, 35c.

Ceanothus integerrimus. A tall branching shrub from the pine belt. Flowers white, in large trusses. In 4 inch pots, 5 to 8 inches, each, 25c.

Ceanothus megacarpus. Thick leathery dark green foliage, white flowers. In 4 inch pots, 5 to 8 inches, each, 35c.

Ceanothus oliganthus. Foliage somewhat hairy, stems reddish brown; large trusses of deep purplish blue flowers. In 4 inch pots, 6 to 8 inches, each 35c.

Ceanothus spinosus. Bright green foliage, light blue flowers. In 4 inch pots, 6 to 10 inches, each, 35c.

Ceanothus thyrsiflorus. Dark green glossy foliage, deep blue flowers. In 4 inch pots, 8 to 12 inches, each, 25c; in gal. cans, 3 to 4 ft., each, 60c.

Cercis occidentalis, "California Red-bud," "Judas Tree." In pots, 1 to 1½ ft., each 25c.

Cercocarpus betulaeifolius, Mountain Mahogany. A handsome shrub, especially valuable for dry places. In 2½ inch pots, 5 to 8 inches, each, 25c.

Clematis lasiandra, "Wild Clematis." Beautiful climbing plant. Flowers creamy white. In 3 inch pots, each, 25c.

Encelia californica. Valuable shrub for dry places. Flowers yellow, resembling a single Sunflower. In 3 inch pots, each, 15c; doz. \$1.50.

Eriogonum fasciculatum, "Wild Buckwheat." Low shrub, especially valuable for dry places. Blooms in middle of summer. Flowers in large heads, white, tinged with pink. In 3 inch pots, each, 20c.

Fraxinus dipetala, "Flowering Ash." Deciduous shrub, flowers white. In 4 inch pots, 1 to 1½ ft., each, 35c.

Fremontia californica, "California Slippery Elm." Rare shrub, large rich yellow flowers. In 4 inch pots, 4 to 6 inches, each, 50c.

Heteromeles arbutifolia, "California Holly" or "Christmas Berry." In qt. cans, 10 to 12 inches, each, 35c.

Isomeris arborea, "Bladder Pod." Small shrub, flowers yellow. In 4 inch pots, 8 to 12 inches, each, 20c.

Juniperus californica, "California Juniper." Shrub or small tree, especially useful for dry sandy situations. In 3 inch pots, 5 to 8 inches, each 20c.

Lavatera assurgentiflora, "Tree Mallow." A spreading shrub, valuable for planting on sand dunes and banks to hold the soil, also for low windbreaks. Flowers deep rose color. In pots, each, 15c.

Malvastrum fasciculatum, "False Mallow." Grey-green foliage, pink flowers. In 4 inch pots, each, 35c.

Mimulus glutinosus, "Sticky Monkey Flower." In 4 inch pots, 8 to 12 inches, each, 35c.

Pentstemon antirrhinoides, "Yellow Bush Pentstemon." Very handsome, flowers large, bright yellow. In 2½ inch pots, each, 20c.

Pinus parryana, "Parry's Nut Pine." In 2½ inch pots, 3 to 4 in., each, 20c.

Pinus torreyana, "Torrey Pine." In gal. cans, 3 ft., each, 50c.

Platanus racemosa, "California Sycamore." In gal. cans, 2 to 2½ ft., each, 50c.

Prunus ilicifolia, "California Wild Cherry." In gal. cans, 10 to 15 in., each, 35c.

Prunus integrifolia, "Catalina Cherry." In 4 in. pots, 10 to 15 in., each, 25c; in 5 gal. cans, 3 to 3½ ft., each, \$1.00.

Quercus agrifolia, "Live Oak." In 4 in pots, 10 to 15 in., each, 25c, in gal. cans, 2 to 3 ft., each, 50c.

Quercus chrysolepis, "Golden Cup Oak." In 4 in. pots, each, 25c.

Quercus dumosa, "Scrub Oak." In 4 in. pots, each, 25c.

Quercus engelmannii, "Mesa Oak." In 4 in. pots, each, 25c.

Quercus garryana, "Post Oak." In 4 in. pots, each, 25c.

Quercus lobata, "Valley Oak," "White Oak," "Roble." In 4 in. pots, each, 35c.

Rhamnus californica, "Wild Coffee." A beautiful shrub with rich green foliage. In 4 in. pots, 8 to 12 in., each, 25c.

Rhus integrifolia. Handsome shrub with thick, leathery foliage. The very best shrub for a dry place. In 4 in. pots, 10 to 15 in., each, 50c.

Rhus laurina, "Sumach." In gal. cans, 1 to 1½ ft., each, 50c.

Rhus ovata. One of the most beautiful of all our native shrubs. Large, leathery, rich green foliage. Very valuable for dry places. In 4 in. pots, 10 to 15 in., each, 50c.

Ribes glutinosum, "Pink Flowering Currant." Deep pink. In 5 in. pots, 2 ft., each, 50c.

Ribes malvaceum, "Pink Flowering Currant." Light Pink. In gal. cans, 1 to 1½ ft., each, 50c.

Ribes speciosum, "Fuchsia-flowered Gooseberry." Large cardinal red flowers resembling the fuchsia. In 3 in. pots, 8 to 10 in., each, 35c; in 5 in. pots 15 to 18 in., each, 50c.

Ribes tenuiflorum, "Yellow Flowering Currant." In 3 in. pots, 8 to 12 in., each, 20c.

Sambucus glauca, "California Elder." In 4 in. pots, each, 25c.

Trichostema lanatum, "Romero or Woolly Blue Curls." In 4 in. pots, each, 50c.

Umbellularia californica, "California Laurel" or "Bay." In pots, each, 25c.

PERENNIAL PLANTS

Aquilegia truncata, "Columbine." Flowers deep scarlet tipped with yellow. In 2½ in. pots, each, 15c. doz., \$1.50.

Aster hesperius. Flowers pale lavender. Prefers a moist situation. Each, 15c; doz. \$1.50.

Coreopsis maritima, "Sea Dahlia." Large flowers, 3 to 4 in. in diameter, light canary yellow. In 3 in. pots, each, 15c; doz., \$1.50.

Erysimum asperum, "Wild Wallflower." Orange yellow flowers. In pots, each, 15c; doz., \$1.50.

Fragaria californica, "California Wild Strawberry." Valuable as a ground cover, especially under trees. Per doz., 35c; 100, \$2.50.

Geranium richardsoni, "Mountain Geranium." In 4 in. pots, each, 25c.

Helianthus parishii. A large perennial Sunflower; requires a moist situation; each, 25c.

Lathyrus laetiflorus, "Wild Pea." Flowers white or flesh color, veined with purple. In 3 in. pots, each, 20c.

Lupinus arboreus, "Yellow Tree Lupine." Flowers yellow, fragrant. In 3 in pots, each, 15c.

Lupinus cytisoides, "Canyon Lupine." Grows near water, flowers in very long racemes, deep pink or rose purple. In 3 in. pots each, 20c.

Oenothera biennis hirsutissima, "Yellow Evening Primrose." In 4 in. pots, each, 15c.

Pentstemon centranthifolius, "Scarlet Bugler." Glauous foliage, rich vermilion flowers. In 2½ in. pots, each, 15c; doz. \$1.50.

Pentstemon cordifolius, "Scarlet Honeysuckle." A woody plant, 6 to 8 ft. high, flowers orange scarlet. In 2½ in. pots, each, 15c; doz. \$1.50.

Pentstemon heterophyllus, "Violet Beard Tongue." A bushy plant 1½ to 2 ft. high. Flowers trumpet-shaped, royal purple. In 2 in. pots, each, 15c; doz. \$1.50.

Pentstemon spectabilis, "Blue Pentstemon." A magnificent plant; grows 4 to 7 ft. high; flowers large, blue and royal purple. In 3 in. pots, each, 15c; doz., \$1.50.

Romneya coulteri, "Matilija Poppy." Strong plants established in pots, each, 50c.

Sidalcea parviflora. Rose-colored flowers. In pots, each, 20c.

Silene laciniata, "Indian Pink." Bright scarlet. In 2½ in. pots, each, 15c; doz. \$1.50.

Solanum xanti, "Violet Nightshade." Flowers deep violet blue. In 3 in. pots, each, 25c.

Thalictrum polycarpum, "Meadow Rue." Beautiful foliage resembling Maidenhair fern; panicles of yellow green flowers. Prefers a moist shady place. In 2½ in. pots, each, 10c; doz. \$1.00.

Zauschneria californica, "California Fuchsia." Vivid scarlet, trumpet-shaped flowers. Especially valuable for dry banks. In pots, each, 20c; doz. \$2.00.

CALIFORNIA WILD FLOWER SEEDS

I make a specialty of Wild Flower seeds. The new and enlarged edition of my booklet "California Wild Flowers," describing over a hundred beautiful species with notes on their culture and care, will be mailed upon receipt of 15c.

CALIFORNIA WILD GARDENS

I am prepared to undertake the work of making wild gardens or to give advice on this subject. Estimates furnished.
